Class Arrangements for Schools after the Special Vacation

Dear Parents,

KG students are young and generally need more time to adjust to campus life after the long holidays. To ensure that schools can fully take care of their students, face-to-face classes will be resumed by phases:

Date	Class Levels that can Resuming Face-to face Classes
3 May (Tuesday)	K3am & K3pm
10 May (Tuesday)	K3am & K3pm / K2am & K2pm
16 May (Monday)	Whole-school

For the class levels yet to resume face-to-face classes, school will continue to provide study materials for students to study at home

According to the Education Bureau announced the Undergoing Regular Rapid-Antigen Tests (RATs), every teacher, school staff and student has to complete a RATs each day before returning to school. RATs should be conducted in the morning and only persons obtaining negative results are allowed to return to school for work/lessons. Parents need to send the test results via WhatsApp or take a photo for school to check (Annex1). Students and staff tested positive should inform the schools of their positive results as soon as possible and stay at home.

The Hong Kong Family Welfare Society and the Community Chest Donate Pandemic Supplies Packages (rapid tests, masks, Panadol and disinfectants, etc.) for students. Parents please come to school to take those homework and materials between 26 to 28 April, (time is from 10:00am to 3:00pm)

If you have any enquiries, please contact us (Tel no: 25712570).

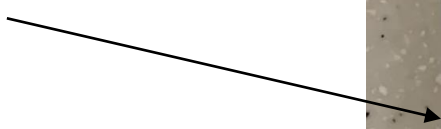

Yours sincerely,
Zion Lutheran Kindergarten
